

HARRIS-STOWE STATE UNIVERSITY

POSITION VACANCY NOTICE

Science Laboratory Technician II

Harris-Stowe State University seeks a full-time Science Lab Technician II. This position is responsible for organizing and maintaining the University's inventory of physical and life science equipment, supplies, chemicals, specimens and living cultures; maintaining health plants in the greenhouse; setting up and taking down labs for weekly classes, performing elementary troubleshooting of equipment, ordering supplies, assisting faculty in use of laboratories and greenhouse and coordinating maintenance and safety of the science labs. A minimum of an Associates or B.S. degree with a major in a science area is required, as well as at least two years of lab experience in a similar environment. Anticipated starting date is mid-August. This person must have excellent interpersonal skills in working with the University community.

To apply, please send a letter of application, resume, transcripts, and the names and phone numbers of two professional references by August 15, 2014 to:

HR@hssu.edu or fax (314) 340-3395
