

HARRIS-STOWE STATE UNIVERSITY

POSITION VACANCY NOTICE

Assistant Professor of Biology

The Department of Mathematics and Natural Sciences at Harris-Stowe State University is seeking to fill the tenure track position of Assistant Professor of Biology. The successful candidate must possess an earned doctorate in Biology or a related field from an accredited university and have at least two years teaching experience at the College or University level and a record of recent research activity. Duties include teaching Introductory Biology, Human A&P, and occasionally other courses within the candidate's area of expertise, as well as premed and allied health advising. Position will start in Fall 2015.

Applicants should submit a letter of application, current vitae, official undergraduate and graduate transcripts, evidence of excellence in teaching at the college level, a university employment application and three letters of reference to:
