Harris-Stowe to Celebrate Anheuser-Busch School of Business Relocation to Givens Campus

ST. LOUIS, MO (January 13, 2014) – Harris-Stowe State University business students kicked off their spring semester today in a newly renovated location on the Givens Campus located at 3026 Laclede Avenue.

The university will dedicate the space for the Anheuser-Busch School of Business (ABSB), which is now housed on the third floor of the Henry Givens Jr. Administration Building, on Wednesday, January 22, 2014, at 3 p.m. The office of the dean and all business faculty and staff members moved to the main campus prior to the winter break after a fiscally responsible decision was made to vacate the facilities located at 5707 Wilson Avenue, which is currently owned by the State of Missouri.

“We have a beautiful main campus, that now, with all of the university’s recent expansion, can accommodate the needs of all of our students,” said Interim President Constance Gully. “We are excited to have the business students back at the Givens Campus, and are looking forward to the presence of those students having a great impact on our freshman scholars. This is the new Harris-Stowe State University!”

Thelma Cook, chair of the HSSU board of regents; Margarita Flores, vice president of community affairs at Anheuser-Busch will bring remarks and Constance Gully, HSSU interim president will bring remarks for the occasion. A reception, sponsored by Anheuser-Busch and Brown-Forman will take place immediately following the program.
