Working hard today; Preparing for tomorrow!

As the new director for the Institute of Sciences and Mathematics, I want to say hello and welcome to the inaugural edition of the 2011 Science and Mathematics Academy newsletter.

Also, I want to congratulate all of the students who were selected to participate in the summer enrichment program. This program is designed for incoming HSSU freshmen who are beginning their college career in the 2011 fall Semester. The academy is a five-week rigorous academic pre-college program focusing on science and mathematics. This year's academy is from June 26 -July 30, 2011.

The mission of the Institute for Sciences and Mathematics ensures that Harris-Stowe students are supported through effective academic tutoring in

mathematics and science along with other initiatives designed in collaboration with faculty and staff, to enhance their collegiate experience. I hope that you will enjoy reading the articles written by the various 2011 academy students.

Best,
Dr. Tommie Turner

Meet the 2011 Science and Math Academy Faculty

The 2011 Science and Mathematics Academy faculty includes a great group of instructors whose focus is to give young people *a head, hand and step up* for the real world of college work that they will experience in the fall. Each instructor is committed to providing instruction, encouragement and experience to help these young people achieve a lasting sense of accomplishment.

The members of our 2011 academy faculty and staff are:

Biology: Dr. Anbreen Bashir and Mr. Robert Ealy, Jr.

Chemistry: Dr. Wendell Brooks
Computers: Dr. Diane Smoot and Mr. Thomas Chittooraan
Literacy: Dr. Carmen Charleston and Ms. Carol Strawbridge
Mathematics: Ms. Gloria Clark and Ms. Veronica O'Neil
Physical Science: Dr. Jayashree Balakrishna
Robotics: Mr. Kenneth Bowman
Technical Writing: Dr. Reynaldo Anderson and Ms. April Warren-Grice
Math Club: Drs. Ann Podleski and Jonathan Corbett
Table Top Discussion: Mr. Steven Anderson
University Experience: Ms. Tina Grimes

Getting to Know You, Participants from Various High Schools
