By completing this section, I hereby understand that this application does not guarantee receipt of a scholarship or award, yet I apply for the scholarships or awards for which I may qualify. I authorize the Scholarship Committee to have access to all relevant information in my various HSSU files, and I understand that if I am selected for a particular scholarship or award, I may receive less than the amount listed if I also receive other financial assistance, as there are limits on the total financial assistance a student can receive. I understand that I must complete the 2016-2017 FAFSA (except international students), as well as this scholarship application, by **March 18<sup>th</sup>, 2016 5:00 P.M.** I further understand that scholarships and awards cannot be applied to prior balances, and I will forfeit, for any term not yet begun, any scholarship and award earned as a result of this application if I have any outstanding financial obligations to the University or if my academic progress status becomes "unsatisfactory".

By inserting your name, initials, and student I.D below, you are signifying that everything in this application is original and accurate. We encourage you to print this form to retain it for your personal record of submission.
