Log on to Blackboard at http://bbs.hssu.edu
Enter your username, which is your student number
Enter your password: first time login password is hsscstudent
Your Courses are accessible under “My Courses”
Change your password* by clicking on the Personal Information link

*You will want to change your password immediately to something that is not easily guessed
Select a button to access information related to that course.

*Not all instructors will be using the Blackboard system, so some course links may not contain information.*
