For undergraduate transfer students, these would be activities participated in at your first institution(s) as well as those in high school.

Applicants at all levels are encouraged to include activities participated in outside their academic fields. Please be very specific in describing all activities outside of Harris-Stowe State University — be sure to explain all acronyms and offices involved with your organization.

The fundamental purpose of the HSSU Homecoming Court is service: service to HSSU students and student organizations. As student representatives, the court must also be aware that it's a part of the broader University community, which includes administrators, faculty and staff.

In 500 words or less, please write an essay discussing *why* you want to serve on Homecoming Court for Harris-Stowe State University. Please also focus on what makes you special as a student leader and what talents you will bring to enrich student life at Harris-Stowe State University.
