# The Majestic Assembly

Harris-Stowe State University strives to foster the selection of students who represent the best in academics, moral character, leadership skills and personal decorum. Students who compete for each title and those who are crowned are expected to participate in all events and activities in a spirit of full cooperation and camaraderie.

Such participation within HSSU encourages students to develop and refine leadership skills, set positive examples, enhance self-esteem, heighten network potential and represent the University in an upstanding fashion.

The fundamental purpose of the HSSU Majestic Assembly is service: service to the community, HSSU students and student organizations. As student representatives, the court must also be aware that it is a part of the broader University community, which includes administrators, faculty and staff.

Representation of Harris-Stowe State University as members of the Majestic Assembly is an honor and privilege. The people reigning in these positions serve from their Coronation until the Coronation of their successors.
